Cement concrete mixer's liner、paddle blade、Paddle Mixer Arm

Beijing JinMei Entrepreneur Import & Export Co., Ltd is established in March/2006 and grows up rapidly in the field of mine、cement and metallurgy facilities etc. All of the achievements are gained on the strength of industrial facilities filed professional standards and mature experience.

Constantly, providing our customers with satisfaction products is our consistent pursuit. Our company is continuously specialized in full set and parts export business of concrete mixer、scraper、crusher、ball mill、vertical mill and kiln etc. The products are widely used in mining, cement, electricity and other fields. We supply the concrete mixer parts to ELBA、LLIEBHERR、BHS 、STETTER、SICOMA all the year, besides, we also set foot in the mechanical facilities area. The achievements are: our China manufacturing mill facilities entered into Germany and French marketing by 2006 and providing the vertical mill parts for Italy Enel power plant and Croatia HEP group power plant. Through unremitting efforts over the years, our concrete mixer parts have spread over the ELBA、LLIEBHERR、BHS 、STETTER、SICOMA series concrete mixer. We have a great reputation from our customers. Of course, all of the achievements resort to our topping products quality and skillful technical service.

In the process of development, scale expanding, when first built by the trading company into a comprehensive technical entity that has jurisdiction over trade. Integration of technology and Production Company.

Our DJM staffs pursue the"Enterprising, realistic, rigorous, unity"policy, Continuously innovate with technology core, rigorous quality as life、customers as God, Dedicated to provide you the most cost-effective products and attentive after sale service.
